

Clean Step Scraper Logo

Outdoor Mats

Uses 50%
Recycled
Rubber

Enviro Fact

The collection and production of used rubber creates job opportunities in developing countries around the world.

100% Recyclable

Clean Step Scraper Logo provides all the benefits of our Clean Step Scraper product with an additional logo element. Successfully combines exterior matting with instant brand awareness. A maintenance free, cost effective product that fulfills a recognised gap in the logomat market.

Features & Benefits

- Traps moisture and debris below walking surface
- All rubber construction for maximum durability
- Textured backing keeps mat in place
- Bevelled edges for additional safety to help prevent slips, trips and falls
- Made from approximately 50% recycled rubber
- Recyclable
- No restriction on number of colours within the logo element
- Artwork can be supplied in .ai, .eps, .tiff, .jpeg, .cdr or .bmp formats
